Here are three excellent youtube lectures on the apply functions for those of you looking for something beyond the coursera lectures. They are informative and easy to understand.

- 1. [Apply Family of Functions in R Part 1: apply\(\)](#)
- 2. [Apply Family of Functions in R Part 2: lapply\(\) and sapply\(\)](#)
- 3. [Apply Family of Functions in R Part 3: tapply\(\)](#)

---John
